# GUARANTEE

Endorsed by the American Shorthorn Breeders' Ass'n

1. Proper care shall be given by purchaser to protect breeding qualities and health of animals.
2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age. In case of failure to be a breeder notice shall be given to seller within six months of date of purchase.
3. Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers sold as single lot guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.
4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage to go to the seller. It shall be understood that the same guarantee given on the first animal shall likewise apply upon any animal later substituted.
5. All animals are sold subject to a sixty-day retest for tuberculosis, or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputed by State veterinarian, who is cooperating with Federal veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction and return of animal, except purchaser shall agree to accept a substitute.
6. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.
7. **TERMS:** Cash, except other arrangements are made with the consignors before sale. All settlements to be made with the sale manager of the Central States Shorthorn sale immediately after close of sale, but it shall be expressly understood that said manager or sale association assumes no liability, legal or otherwise, and that the above guarantees and terms shall constitute a contract between the consignor and purchaser of each lot.

Shipping vouchers will be attached to bills of lading on all less than carload shipments routed over those railroads granting one-half freight rate on pure bred cattle.

Where footnotes appear same has been supplied by the consignors.

## *The Announcement*

---

The cattle that will be sold in the auction at Marshalltown, Iowa, on Monday, June 30th, constitute the most attractive in pedigree as well as in type, quality and conformation that have ever been sold in a consignment sale in the State of Iowa.

Every consignor is a noted breeder whose name on a pedigree adds value to the animal represented by the pedigree and prestige to the person who buys the animal.

No doubtful breeders are listed for this sale. No apology will be made for any lot sold because none is needed. Every animal has passed every health requirement for interstate shipment and the guarantee printed upon another page is comprehensive and will be backed by performance of the consignors to this sale.

I have conducted many sales of Shorthorns in several states. I never managed a sale wherein there were as many outstanding cattle listed or where the consignors were more prominent in the industry than are those who have made their entries to this sale.

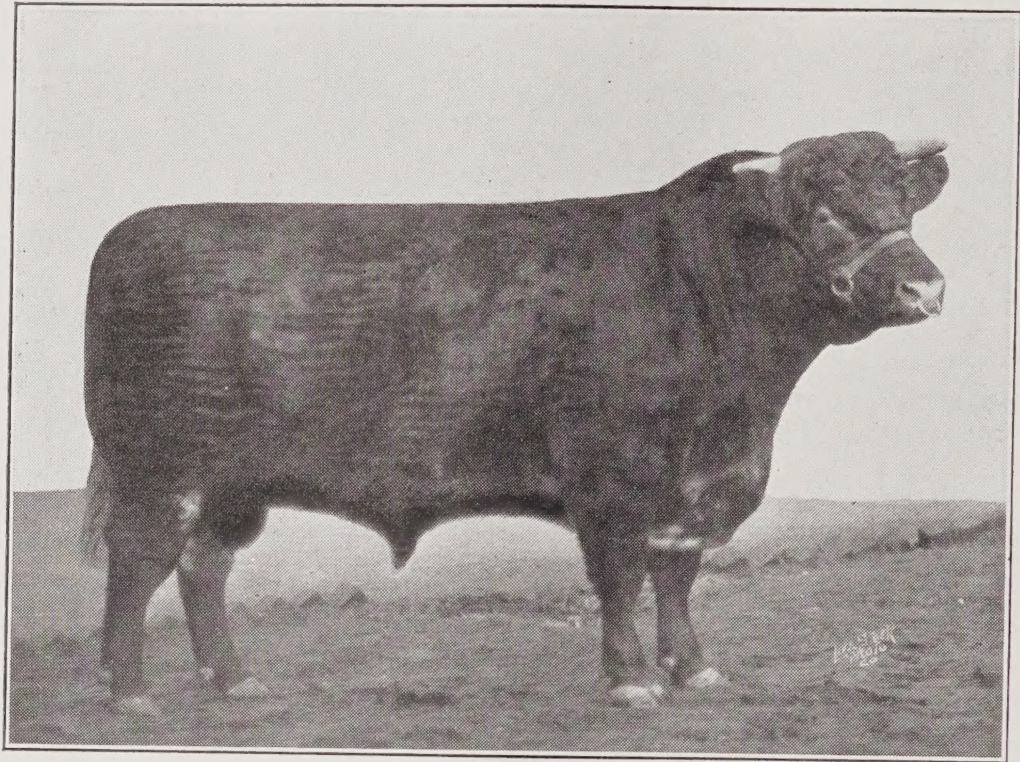

I have personally selected each lot to be sold, so if you would own the best, most attractive, and most profitable cattle, you will find them in this sale.

We invite you to be present and to learn the value of good cattle sold by auction. You will be made welcome whether you buy or not.

Please bring this catalog with you to the sale. All communications to me should be addressed in care of the Tallcorn Hotel (Sale headquarters), Marshalltown, Iowa, from June 28th to July 1st, 1930.

WILL JOHNSON,  
Sale Manager,  
2018 So. Cleveland St., Sioux City, Iowa.

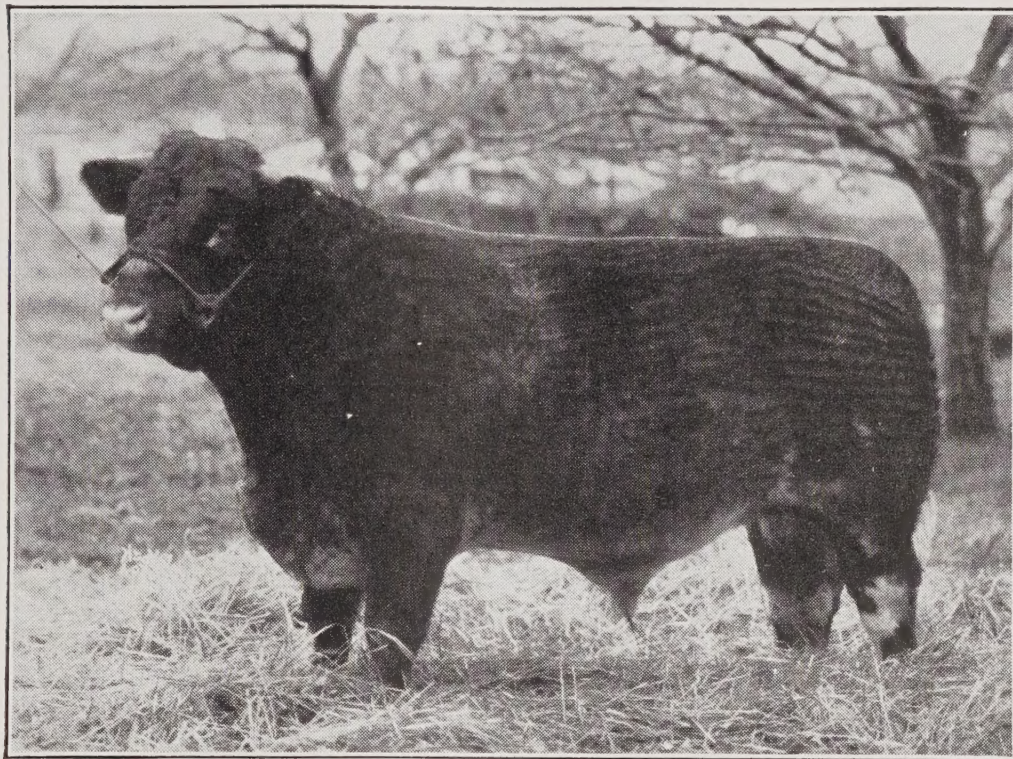

## Imported Calrossie Roan Challenger

(For reference only)

**I**MPORTED Calrossie Roan Challenger is the sire of five promising herd headers that are for sale in this offering. A study of their pedigree will show that they are from some of the best cows of the breed. He was bought in Scotland by Mr. F. W. Harding who was commissioned to buy, for this herd, the best bull in Great Britain. He is a rich dark roan, with abundance of bone, is thick and smooth, on short legs, and carries as good a coat of flesh as ever was seen on a Shorthorn. These desirable characteristics will be found in the young bulls by "Calrossie" that are listed in this sale. Their calves will inherit these same qualities.

Calrossie Moonbeam, is a beautiful dark roan, low set and thick, with real masculine character. His dam is a splendid milker and one of the best cows in the herd. Her dam Edgcote Flapper was the choice of the Edgcote Missies imported in 1917 by Carpenter & Ross; is still breeding and a splendid cow. The calf has everything that goes to make a real sire. His color and conformation cannot be beat, and his backing would be hard to equal.

Goldspur's Champion won second prize in class at the great Ak-Sar-Ben stock show at Omaha last fall. He has grown better steadily since then, and he will be a hard bull to beat in the junior yearling class this year. The combination of blood lines arising from the mating of a Browndale bull with a cow sired by a Dreadnaught bull has proven most advantageous in many cases, and in this one exceptionally good results have been obtained.

**Browndale Regent**, we consider to be the best young bull ever sold from the famous herd of Dean C. F. Curtiss. Dean Curtiss has turned out several champions, having won more championships at the American Shorthorn Congress than any other breeder or exhibitor. So you see we are making a strong statement when we call this bull the Dean's best. Note also that his sire is the grand bull Rookwood Regent and his dam was by the famous Browndale Count. We consider this bull as good a herd bull prospect as there is in America, and we expect that he will win the summer yearling class this fall if shown.

		Earl of Derby 2d 125196	Samuel Wiley

**Winmoor Dreadnaught**, sire, Royal Dreadnought 1271411 by Merry Dreadnought 961086, out of Queen Hazel 10th 1082648. Dam, Jilt of Gowrie 945925 by Admiral 857699, out of Keir Jonquil 833092.

**Gainford Champion**, sire, Gainford Marquis 370987 by Gainford Knight 370986, out of Dalmeny Marchioness 8th v55-763E. Dam, Emmeline 19th 181164 by Mildred's Royal 244703, out of Emmeline 9th 181163.

**Edgcote Czar**, sire, Collynie Marshal 610497 by Jubilant 609047, out of Lady Maria v54-681E. Dam, Charlotte Corday 9th v57-688E by Spion Kop 266466, out of Fillpail 2d v56-1203E.

Clara 70th is the last heifer in this catalog but by no means is she the last in type, quality or character. She has a pedigree that is as good as could be written, and as an individual she is a real show beast. She will win in the senior calf class this fall, if she is shown, and she is the type that will make a winning yearling, two year old, and mature cow. This is a very fine prospect.
